

CASA BRILLANTE

True to its name, Casa Brillante is filled with natural light, beginning with a two story atrium that welcomes you into the home, a sculptural spiral staircase with handcrafted wood and wrought-iron details creates a striking focal point and reflects the traditional craftsmanship found throughout the property. The main level is designed for comfortable living and entertaining. Cantera columns and archways define the spacious living and dining areas, while a stone fireplace adds warmth and character. The kitchen opens directly to the social spaces and features generous counters, wood cabinetry and colorful hand painted tilework. Traditional terracotta floors continue throughout the home, while two patios bring additional light and outdoor connection to the ground floor. Upstairs, a central...
