CASA GRACIA

Behind the discreet gates of Upper Santo Domingo Condominum, this beautifully appointed colonial residence offers a rare combination of privacy, character, and proximity to the heart of San Miguel de Allende. Just a few blocks from the Jardin Principal, Casa Gracia occupies that coveted space between the energy of Centro and the quiet intimacy of a private retreat. Traditional Mexican materials, handcrafted details, and lush greenery create an atmosphere that feels deeply rooted in San Miguel while offering a sense of comfort, privacy, and effortless ease. Natural light moves effortlessly through the interiors, warm saltillo tile floors, rich wood accents, and hand-finished architectural details. At the center of the living space, a traditional wood-burning fireplace brings...
