

CASA PARAISO

Live in paradise...literally! Casa Paraiso is an 8-year-old warm-contemporary estate with an open-plan great room boasting a ground-floor bedroom currently used as an office, soaring two-story living room with abundant light flowing in from the central garden courtyard and front all-glass facade, elegant quartz kitchen, and oversized garage. Downstairs, the oversized bedroom serves as an ideal casita-like guest bedroom with large fireplace-anchored sitting area and plentiful closet and storage. Climb the open-rail stairs adjacent to the two-story living room-the volume is astounding!-to the private primary suite, complete with the most elegant chandelier-topped garden bath you've ever witnessed-the sink and vanity flow to an all-glass window wall opening to a private rooftop terrace...
