

ALTAVISTA LOT 17 - 969 M2 | BOUTIQUE GATED COMMUNITY NEAR

CENTRO

AltaVista Lot 17 - 969 m2 | Boutique Gated Community Near Centro AltaVista is a small, carefully planned gated community designed around space, privacy, and long-term value. With only 20 homesites, the development offers a level of openness and tranquility that is increasingly difficult to find in San Miguel de Allende. Cobblestone streets, mature landscaping, preserved views, and environmentally responsible infrastructure create a setting that feels both refined and grounded in the natural landscape. Lot 17 (969 m2) offers an excellent opportunity to build a custom residence within one of San Miguel's most unique new residential communities.
