

ALVA LOT 5

With 1,000,536 m² , Lot 5 provides an ideal canvas to design a custom residence surrounded by nature, featuring spacious gardens, terraces, and outdoor living areas that embrace the lifestyle San Miguel de Allende is known for. Part of the ALVA development, this lot is designed for those who value generous land size and architectural freedom. Its dimensions allow for the creation of a vacation home or full-time residence where privacy, space, and connection with the natural environment define the living experience.
