

ALVA LOT 6

With 1,000,284 m² , Lot 6 provides the ideal space to design a custom residence with generous gardens, terraces, and outdoor living areas that embrace the natural landscape of San Miguel de Allende . As part of the ALVA development, the lot is designed for buyers seeking privacy, spacious land, and a strong real estate investment. Its nearly 1,000 m² size allows full architectural flexibility to create either a vacation retreat or a full-time residence surrounded by nature.
