

CASA BLANCA

Are you looking for a home in San Miguel de Allende that you can finish to your own taste? This property—currently at the "white box" stage (ready for final finishes)—is located in the Paseo Real subdivision and is the ideal choice for those who wish to design every space in their own style. Upon entering, you are greeted by a large courtyard/carport and a corridor featuring six massive *cantera* stone columns that rise up to the second-floor terrace. The ground floor features a foyer, a bedroom with a full bathroom and walk-in closet (with a private entrance), as well as an open-concept living room, dining room, breakfast area, and kitchen. The laundry area is also located on this level. The second floor houses two bedrooms—each with its own bathroom—a TV room, a balcony that floods the space...
