

CASA BOHEMIA

Built just three years ago, Casa Bohemia is a thoughtfully designed single-level minimalist Colonial residence that blends timeless Mexican architecture with clean contemporary lines and modern comforts. Designed for effortless living, the home's one-floor layout offers exceptional ease of movement and wheelchair accessibility, making it ideal for buyers seeking comfort, convenience, and the flexibility to age in place without compromising on style. The open-concept floor plan seamlessly connects the living room, dining area, and gourmet kitchen, all crowned by soaring traditional boveda ceilings that create warmth, character, and architectural elegance. Throughout the home, five fireplaces provide inviting gathering spaces and cozy ambiance during San Miguel's cooler evenings...
