
CASA DOS GATOS

Casa Dos Gatos - Modern Elegance in the Heights of Balcones Set in the peaceful Balcones neighborhood of San Miguel de Allende-a UNESCO World Heritage Site and multiple-time winner of "Best City in the World"-Casa Dos Gatos is a masterful blend of modern Mexican design, comfort, and natural beauty. Just a short stroll from the Botanical Garden, this home offers a private sanctuary where architecture and landscape flow in perfect harmony. The heart of the home opens through 20-foot glass sliders, connecting the stylish living room to a screened-in patio with an outdoor kitchen, ideal for open-air dining and relaxed evenings with friends. Upstairs, a spectacular rooftop terrace showcases sweeping views of San Miguel, complete with a fire pit, outdoor lounge and dining...
