

CASA EL TOREADOR

Near the mountains, in one of the best-preserved green areas of San Miguel de Allende and just a 20-minute drive from the city center, is the eco-sustainable project "El Toreador". It is a gated area with natural walls; totaling 3 hectares divided into 22 lots of 1,000 m² each. This house is one of the first ready for delivery, offering you the opportunity to acquire an adjacent lot to expand what is already an extraordinary garden for any project you have in mind: orchard, farm, trees, greenhouse, horses. The house features a comfortable and reliable single-level design with an open common area. Filled with light, with doors and windows that allow you to enjoy extraordinary views from your living room and kitchen. Nine Catalan vaults add movement with their curves as well as a...
