

CASA ENTRESUENO

Parroquia-View Home on Callejon de la Garza, Centro in San Miguel de Allende This home sits on one of Centro's most charming cobblestone lanes, in the traditional Barrio del Chorro, and pairs San Miguel's history with a thoughtful, detail-rich remodel. Behind the vine-covered facade, with its cantera window surrounds and hand-forged ironwork, the original antique walls at the entrance have been preserved. The ground floor is a work of art, with a mosaic mesquite wood floor that brings warmth and character to the entryway, living and dining room and staircase. The kitchen has rich wood cabinetry, a professional stainless range, a dishwasher and reverse-osmosis water filtration. The dining room opens through floor-to-ceiling windows onto a generous, garden-filled patio...
