

CASA FINLANDIA

Introducing Casa Finlandia—a thoughtfully designed retreat by architect Escobedo Solis, located within the historic town of Mineral de Pozos in Guanajuato’s Sierra Gorda region. Surrounded by dramatic desert landscapes, centuries-old mines, and iconic stone structures, the home is deeply rooted in the area’s architectural and cultural heritage. Constructed with adobe walls, artisan brick, and locally sourced materials, the home embraces natural climate efficiency and timeless craftsmanship. UV-protected windows frame the landscape while maintaining interior comfort. A thoughtfully designed central courtyard draws in daylight and fresh air, serving as the heart of the home. All around, a vibrant collection of native cactus species completes the organic, desert-mountain ambiance. A cozy...
