

CASA FLORA Y FAUNA

A home designed to be lived beautifully! From the moment you walk through the door, Casa Flora & Fauna feels different. Beautiful Catalan brick boveda ceilings, sun-filled courtyards, generous spaces, and lush greenery create a home that feels private, peaceful, and wonderfully connected to the outdoors. Every room embraces natural light and views to the green areas, creating a sense of openness and calm while maintaining the warmth and intimacy of home. A wonderful feature of the home is its thoughtful layout, with one bedroom on the main level and a second bedroom upstairs, along with a beautiful, light-filled study. The dramatic living room, open kitchen, dining area, and inviting family room make the house equally perfect for quiet mornings, relaxed afternoons, and evenings shared with family...
