

CASA LA CASCARA

This residence offers a sophisticated blend of intelligent design and technical excellence. The property features a private garage with capacity for three vehicles, accompanied by a versatile detached workshop (casita) equipped with a private bathroom, ideal for a home office or studio. The residence includes an elevator that provides access to all levels of the property. Upon entering, an interior water feature provides an elegant welcome. The ground floor is characterized by an expansive barrel-vaulted ceiling design, centering around a double-sided fireplace. This level includes a bedroom and a high-end, fully equipped kitchen featuring a spacious pantry, a large-capacity refrigerator, dual ovens, a dishwasher, and a Decor cooktop specifically engineered for optimal performance...
