

CASA LATA

A Private Resort in the Heart of San Miguel de Allende In Centro, where cobblestone streets meet skyline views, Casa LaTa rises gracefully along the mountainside – a newly built architectural masterpiece designed for those who seek privacy, scale, and unforgettable panoramas. From nearly every level, San Miguel unfolds below – historic church domes, terracotta rooftops, and distant mountain silhouettes. The elevation gives you the rare sensation of owning the horizon. This is not simply a residence. It is a sanctuary suspended above the city. Seamless Access & Modern Comfort Two private elevators connect the garage, garden, living spaces, rooftop, and entertaining levels, creating effortless circulation throughout the home. The property and its rooftop are fully wheelchair accessible...
