

CASA PANORAMICA

Located in the exclusive Cluster 1 of Otomi Lake & Villas, this elegant corner residence offers one of the most privileged locations in the development-with no neighbors on one side and sweeping 180 views of the Allende Reservoir and surrounding mountains. Designed with luxury finishes and built for comfort, the home features an expansive living and dining area that opens onto a covered terrace with a BBQ area, plunge-style jacuzzi, and a stunning garden that surrounds the property. The gourmet kitchen is fully equipped with a walk-in pantry and reverse osmosis water filtration system. Also on the main floor are two guest bedrooms, each with its own en-suite bathroom, plus a guest half bathroom and an additional outdoor bathroom for the garden and social area. Upstairs, the spacious primary...
