

CASA PIEDRAS CHINAS

Casa Piedras Chinas Contemporary design in the heart of Centro. Some houses look beautiful in photos. This one feels different in person. Casa Piedras Chinas is a two-bedroom contemporary residence steps away from everything that makes San Miguel great: the Jardin, the best restaurants, the market, the life. Spanning 1,776 ft² across multiple levels, the home was designed to make natural light the main character. High ceilings, generous windows, and premium finishes create an atmosphere that balances sophistication with warmth, rare to find in a modern property within the historic Centro. The modern kitchen, well-distributed social areas, and rooftop terrace with views ensure every corner has a purpose. The wine cellar, interior fountain, and included appliances are the kind...
