

CASA PRIVADA DEL LLANO

Set in the peaceful hill of La Colina, this charming Mexican contemporary home offers a wonderful balance of architectural character, natural light, privacy, and comfortable everyday living. The home holds a special place in the work of renowned San Miguel de Allende architect Gabor Goded, as one of his earlier residential projects in the city. Years later, Goded returned to the property to thoughtfully renovate it, bringing a fresh perspective to the original design while preserving the warmth and character that make the home so inviting. The house has a spacious, beautifully designed kitchen that feels made for gathering. Generous living spaces are filled with natural light and connect easily to a lush, open garden, creating a relaxed indoor-outdoor lifestyle and a wonderful sense of...
