

CASA ROMERO VINEDOS SANTA CATALINA

Romero Model | Space, Privacy & Connection with Nature The Romero Model has been thoughtfully designed for those seeking a spacious, elegant, and versatile residence where comfort meets the natural beauty of San Miguel de Allende . Ranging from 418 to 446 m2 , this residence offers a carefully designed layout that adapts to different lifestyles. Its generous living spaces create the perfect setting to enjoy both privacy and memorable moments with family and friends. The living and dining areas , filled with natural light, flow seamlessly onto a terrace with a built-in grill , creating an ideal extension for gatherings, outdoor dining, and unforgettable afternoons. The fireplace adds warmth and character, while the kitchen , both functional and inviting, becomes one of the heart-of-the-home spaces. The...
