

CASA SANTA CRUZ PLANTA BAJA

Santa Cruz – Ground Floor House in San Miguel de Allende
Excellent opportunity to own the ground floor unit of a house in the Santa Cruz area of San Miguel de Allende. This property features a well-organized floor plan with generous natural light and comfortable spaces that offer both functionality and style for everyday living. The home includes well-sized bedrooms, integrated social areas and a smooth flow between interior rooms and exterior spaces. Its location in Santa Cruz provides easy access to local services, stores, main roads and important destinations, blending residential tranquility with urban convenience. This ground floor house is ideal as a primary residence and also for buyers seeking a property with strong short-term or long-term rental potential given the...
