

CASA SCHWANTZ

The front door to this grand colonial home is set far back from the noise of centro, at the end of a shared entrance with another house, large automatic wooden doors give you access from the street. Entering from the street, you see the large rock wall surrounding the property and large metal doors to drive through. The driveway leads you to a 2 car garage with large workshop area and the property has parking for an additional 5 cars .As you enter, you are greeted with a large courtyard filled with flowers and plants and a lily pond with a fountain to your left. If you drive in, the large stone driveway leads you around the garden and underneath the old Pirul tree. Continuing under the covered patio, large chandeliers and the stonewalls of the house greet you as you...
