

CASA SIENNA

Tucked within the serene neighborhood of Atascadero, Casa Sienna is a home that defines refined living. Truly a masterpiece of elegance and intention, this five-bedroom residence was conceived for those who appreciate architecture not just as structure, but as art. Every element has been meticulously designed, from the graceful proportions to the rich textures and curated finishes that lend both warmth and sophistication. This home offers approximately 8,900 square feet of interior living space, surrounded by lush gardens and terraces on all sides—each framing its own quiet vignette or inviting scene for entertaining. Bathed in natural light, the home captures the essence of considered living. Every detail reflects how the owners envisioned life unfolding here—fluid...
