

CASA VANDERWERF

Casa Vanderwerf set within a peaceful natural setting surrounded by thermal baths and natural hot springs, this beautiful two-story home stands out for its contemporary design and seamless integration with the surrounding landscape. The property sits on a generous lot, offering privacy, open space, and excellent potential for gardens or outdoor living areas. It features two bedrooms and two full bathrooms, with comfortable and well-designed living spaces. The architecture combines a strong structural system of exposed steel beams with brickwork and natural wood finishes, achieving a refined balance of modernity, warmth, and character. The large-format windows not only allow abundant natural light but fully open to promote cross-ventilation, creating fresh, comfortable interiors...
