

CIEN COLIBRIES

Welcome to Cien Colibries, a breathtaking contemporary Mexican home built in the style of a country hacienda. Inspired by the simplicity and ecology of Northern Mexican haciendas, this property favors natural elegance over fancy decoration. The home utilizes simple, locally made materials with natural colors drawn from the countryside and the city of San Miguel de Allende. The entire estate exemplifies the incredible craftsmanship, skills, and artisanship of the people of San Miguel. The Main House is thoughtfully divided into three wings connected by one long corridor. It features a timeless design that requires zero maintenance on the floors, walls, or exterior. Construction: All outside walls are constructed from locally-sourced adobe bricks, set to create very thick walls...
