

EL REFUGIO DE LA PROVIDENCIA

The development itself is a masterpiece, with every aspect meticulously planned. From its beautifully designed streets and hidden services to the serene lake and the simple yet elegant entrance, every corner has been created to blend harmoniously with its surroundings. The endemic landscaping, single-level architectural design, and carefully chosen colors make this property seamlessly integrate into the stunning natural environment, offering breathtaking views of the majestic Los Picachos mountains. Designed with privacy and tranquility in mind, the home provides the perfect retreat for those seeking the essence of country living while enjoying modern comforts. La Providencia offers 24-hour security, water services, a treatment plant, drainage, a private well, and all permits in...
