

FRACCIONAMIENTO SAN FRANCISCO

San Francisco is a project of 280 lots, most of which measure 800 m2. The project is divided into 3 stages, at this moment we are in the process of urbanization of the second stage. The development will have a Club House, Restaurant, Soccer Field, Padel, Tennis, Terraces in different green areas, there will be a small thermal water grotto. There is a construction regulation but in general terms it is to respect colors, facades among other points. The issue of maintenance fees will be defined later. The street where the lot is located is already paved, it has an excellent location.
