INVESTMENT PROPERTY

Located just next to the Nissan showroom along the Libramiento Manuel Zavala, this ample 4,277 m2 property is zoned for commercial or residential use and is ideal for erecting a luxury hotel, an upscale shopping center, or an attractive center that can cater to many events. It could also be used to create an exclusive gated community with a panoramic view of all San Miguel which can provide for a profitable investment opportunity with a great return for the initial investment.

LAND:

46,037 sq ft
