

LAS BRISAS TEPEXPAN

This property was remodeled to include two larger bedrooms, each with its own bathroom, as well as two half-baths: one on the first floor for guests and the second on the terrace where the barbecue is located. It's ideal for a small family, offering ample space so that guests don't have access to the bedrooms. It's very close to hotels and shopping centers and has great rental potential if purchased as a business.
