

LOS REMEDIOS LOT

Rancho los Remedios is a unique destination surrounded by natural settings and history where the tradition of vine cultivation and artisanal wine production is preserved. Discover this site with beautiful tree-lined paths, organic gardens and first-class amenities located in the diamond area of central Mexico just 15 minutes from San Miguel De Allende. Enjoy nature consisting of 45 residential hectares with only 89 lots. This 2,318.23 M2 lot is strategically located near the vineyards, but within the avocado orchard, and only a few steps from the pool and big lake area. It is the perfect lot to enjoy the views, design and live your house and private garden.
