

LOT "IKIGAI"

This property is ideal for anyone seeking an off-grid lifestyle in the foothills of stunning mountains, with breathtaking views in every direction. The one-hectare lot offers exceptional privacy, surrounded by expansive open space and natural beauty, creating a peaceful and tranquil setting. An 80,000-liter cistern provides substantial water storage capacity, potentially meeting a full year's water needs. Electricity is currently only available via solar panels, while CFE power infrastructure is gradually expanding closer to the property, offering future grid connection possibilities. As shown in the photos, the surrounding area remains largely undeveloped, enhancing the sense of seclusion and serenity. Architectural plans for a home that the owner intended to build are also...
