

600 m2

LOTE JACALES

600 m2 lot in San Miguel de Allende, located in Luz de Jacales, featuring a strategic location in a growing area near residential developments. Lote Jacales presents an opportunity to develop a project in an expanding area of San Miguel de Allende. Located in Luz de Jacales, it offers a balance between a quiet setting and proximity to established communities, providing easy access to services and residential zones. The surrounding growth supports long-term potential and connectivity. The lot offers 600 m2 of usable space, allowing for the design of a custom home or development project suited to different needs. Its proximity to developments such as Zirandaro and Cumbres de San Miguel, along with nearby services and amenities, enhances its functionality for residential use...
