

LOTE LA POSTA 2

Very close to Hacienda Los Picachos!! With a generous size of 120m2 and a flat surface that allows you to unleash your imagination to design your dream home, this land is the definition of versatility. But that's not all, this land is also a smart investment that could generate significant income in the future. Its strategic location, very close to the highway entrance and the Industrial Park, guarantees great visibility and accessibility. Additionally, it enjoys proximity to the town hall, schools, plazas, shopping centers, hospitals, and local stores, making it a convenient place to live or invest. Connectivity is not an issue, as the land has public transportation service, facilitating travel within the city and its surroundings. Don't let this opportunity pass you by...
