

LOTE LIDIA

If your dream is to acquire a magnificent property near the center of San Miguel de Allende, but without giving up the essence of the countryside, Terreno Lidia is your ideal opportunity. This incredible plot of 1,286.12 square meters has three frontages and is just a 15-minute drive from the city center. Its strategic location easily connects you to main roads, including the exit to Dolores. This land represents an excellent investment option, thanks to its large area and street-level services. You can develop residential projects, such as apartments or houses, or even subdivide it to create a unique development that maximizes its potential. Don't miss this opportunity to combine the tranquility of the countryside with the proximity to the vibrant urban life of San Miguel de...
