

LOTE RUSTICO EL CARMEN

Impressive 2,500m² rural land, located 30 minutes from the Historic Center of San Miguel, nestled in a natural setting that offers a perfect escape from the urban hustle. This land stands out for its generous size and gently rolling topography, which not only provides a visually attractive landscape but also opens up a range of possibilities for various recreational and leisure activities, as well as the construction of a dream countryside residence. Surrounded by native vegetation and majestic trees, the land guarantees privacy and a serene environment, ideal for those seeking tranquility and a connection with nature. Its ample dimensions allow for the creation of extensive green areas, the installation of meticulously designed landscaped gardens, and even the...
