

MALCONTENTA LOT

This tranquil lot in "La Malcontenta" offers a perfect blend of natural beauty and convenience, featuring a stunning Jacaranda tree providing shade at the entrance. The property is dotted with cacti, huisache, and mesquite trees, enhancing its charm. Just a short drive from the historic center of San Miguel de Allende, this up-and-coming neighborhood boasts breathtaking views of the Los Picachos mountains and includes a private water well for added convenience. The 750 sq ft building on-site is designed to accommodate a second floor, making it an ideal candidate for quick finishing into a livable space. Plus, an adobe pizza oven is ready for use, perfect for entertaining. Whether you're looking to build your dream home or a peaceful pied-a-terre, this property offers the perfect escape from the...
