

ORIZABA – RESIDENCIA 3

A home that breathes from its center. In Residence 3, the interior courtyard works almost like a private oasis around which daily life unfolds. The ground floor connects a bedroom, living room, dining area and kitchen through an open, highly livable layout. At the center, the garden introduces greenery, natural light and visual depth, allowing the architecture to remain connected with nature even indoors. The upper level shifts toward privacy, separating sleeping areas from the activity of the social floor below and creating a calmer rhythm for the more personal moments of the day. At the top of the residence, the private rooftop becomes a destination of its own. A jacuzzi, grill and social area create the perfect setting for afternoon drinks, private gatherings or quiet...
