

ORIZABA - RESIDENCIA 4

A home that doesn't end where you expect it to. Residence 4 marks a new chapter within the Orizaba collection. On the ground floor, a bedroom, living room, dining area and kitchen unfold around interconnected social spaces and an interior garden that draws natural light and greenery deep into the residence. Its generous proportions make entertaining feel especially effortless. Upstairs, bedrooms and a private lounge create a quieter world removed from the activity below. The rooftop introduces another dimension entirely, with a jacuzzi, grill and social lounge designed for open-air gatherings and evenings above the city. And then there is the Haven. Located below ground, this additional level becomes the home's private entertainment retreat. The plan allows for lounge seating...
