Behind the Hotel Casa Primavera is the opportunity to live a resort lifestyle at a fraction of the price. Located on the doorstep of San Miguel, in a secure community fronted by a luxury hotel, this is a lifestyle seldom offered at these prices. Build a home to your personal specifications, with the convenience of strolling to the hotel for a swim, a spa treatment or to the hotel restaurant for a meal. The center of town is five minutes away by taxi or 20 minutes walking. Around the corner is the La Lucierniga mall with shopping, dining options, movie theaters and more. Whether you live here part time or full time, it is the perfect oasis for any family.
