

PRIVADA VERGEL

This private boutique development in the Vergel neighborhood offers an exceptional opportunity for investors looking to create a personal sanctuary near San Miguel de Allende. With stunning views of the surrounding mountains and the city, these five large lots, ranging from 361 m2 to 600 m2, provide a peaceful setting just minutes from the vibrant heart of San Miguel. The lots come fully permitted for construction, with essential services such as electric power from CFE and municipal water from Sapasma already in place. The location is conveniently situated 10 minutes from the renowned Fabrica Aurora and 15 minutes from major shopping centers like City Market/La Comer. The planned completion of a 4-lane highway to Dolores Hidalgo will significantly improve accessibility, which...
