

SALTITO DE GUADALUPE LOT

For those looking for a little more space and a laidback setting without giving up convenient access to town, this mostly level lot in El Saltito de Guadalupe is an option worth considering. The established subdivision sits on the edge of San Miguel de Allende, about 10 minutes from La Luciernaga shopping center and its banks, restaurants, grocery stores, hospital, and other services. The Academia Internacional, an innovative bilingual school is also nearby. Centro is less than 30 minutes away, with easy access to the highway toward Queretaro. The neighborhood has a distinctly rural feel, with mature trees, wildflowers, open space, and comfortable breezes, while the homes being built here have a contemporary architectural character. Approximately half of the lots are...
