

SAN PEDRO 44

Lot 44 , located on Cerrada San Pedro within Cumbres de San Miguel , offers an excellent opportunity to develop a residential project in San Miguel de Allende. Situated on a quiet residential street, the lot benefits from bordering the development's perimeter wall , providing additional privacy and flexibility when designing a future residence. An attractive option for either building a personal residence or making a long-term real estate investment , in an area of San Miguel de Allende with strong growth potential.
