

SANTUARIO ECO-CIELO

Rising from the foot of the Los Picachos mountain range near Sosnabar stands Santuario Eco-Cielo , a self-sustaining home on 8,000 m2 of land. Los Picachos, a federally protected area of ecological, scenic, and cultural value, ensures permanent unbroken views and privacy. Behind its walls of adobe framed by rose-hued stone quarried from the property, this mid-century modern design home is fully integrated with nature, a retreat of privacy, serenity, and introspection, a place for community, music, and food. A path leads through an iron moon gate toward giant euphorbia and the main entrance. Inside, a gallery corridor beneath a brick boveda ceiling showcases the courtyard's reflecting pool. A soaring five-meter-high boveda ceiling crowns the kitchen; an arched window frames the...
