TERRENO EN CRUZ DEL PALMAR

236,498.07 m2 land in San Miguel de Allende with abundant vegetation, mature trees, a seasonal creek and approximately 4 hectares of flat terrain, in a private countryside setting. Located in Ojo Zarco, within the community of Cruz del Palmar, this property offers space, privacy and direct contact with nature, surrounded by vegetation, mature trees and open countryside views. During the rainy season, a seasonal creek runs along one side, bringing freshness and life to the landscape in a quiet setting where the pace of the countryside sets the tone. The land combines areas of natural relief with approximately 4 hectares of flatter terrain, suitable for a residential, country, agricultural or ecotourism project. The community has water and electricity services, allowing for a...
