

TERRENO LA CIENEGUITA

This plot of land of more than 650 square meters in the picturesque Ejido La Cieneguita offers the perfect balance between the tranquility of a rural setting and proximity to all the amenities of a vibrant and constantly growing city. Located just a few minutes from downtown San Miguel de Allende, La Cieneguita is an area known for its tranquility, authentic atmosphere, captivating natural landscape, and rapid growth of the area, characteristics that make it an ideal place to develop a life of rest or a long-term investment project. This spacious and versatile land has easy access to water and electricity services, ensuring that you can begin building without additional obstacles. Thanks to its generous extension, this land offers endless possibilities: imagine a dream...
