

TERRENO LA SOLEDAD LAND LOT

La Soledad Land offers 2.5 hectares (25,000 m²) in a strategic location behind Vinedo San Lucas , providing an excellent opportunity for agricultural, recreational, countryside, or investment-oriented projects. The property is held under small private property ownership and includes water rights , as well as a private well located on the property , adding significant value and greater water independence. Priced at \$400 MXN per m² , this is an attractive opportunity to acquire a substantial piece of land in an area with strong potential for future development and diverse uses.
