

TERRENOS ALDEA ATOTONILCO

Aldea Atotonilco is a boutique eco-residential community located just minutes from San Miguel de Allende and near the renowned Sanctuary of Atotonilco , a UNESCO World Heritage site known for its stunning baroque architecture and cultural significance. This master-planned community blends countryside living with sustainability , offering residential lots set within lush landscapes, open mountain views, and thoughtfully preserved natural spaces. Aldea Atotonilco emphasizes ecological infrastructure such as rainwater harvesting, biodigesters, recycling systems, and large areas of preserved nature. Residents enjoy exclusive amenities , including a thermal water spa with grotto, swimming pool, hiking and cycling trails, community garden, stargazing deck, pet areas...
