

VILLA JACARANDA – COUNTRY LIVING, 8 MILES FROM CENTRO

Villa Jacaranda There are people who dream of moving to San Miguel. And then there are people who dream of living differently. Villa Jacaranda was created for the second group. Located within Residencial Aguila Real, an eco-conscious community just 20 minutes from the heart of San Miguel de Allende, this thoughtfully designed retreat offers the rare combination of modern architecture, sustainability, and wide-open space. Set on an impressive 2,000 m2 lot, the home feels connected to the landscape rather than separated from it. Clean architectural lines, natural materials, and adobe-inspired finishes create a warm, contemporary aesthetic that blends beautifully with the surrounding countryside. Inside, you'll find 256 m2 of thoughtfully designed living...
