

VINEDOS SAN MIGUEL

San Miguel Vineyards offers you the incredible opportunity to build the house of your dreams, surrounded by mountains, with a majestic environment that welcomes this beautiful place where you can breathe peace. The largest vineyard in Guanajuato, with a spectacular winery, the second largest in Mexico. Offering security from the entrance of the development, a pool area where you can relax, tennis courts to exercise and endless areas for beautiful walks with a central lake that anyone will fall in love with. With your own vineyard on your property that you can admire when you leave and which you do not have to take care of personally, but which does provide you with several cases of wine a year.
