

XICHU LOT

Perched in the highly sought-after neighborhood of Ojo de Agua, this exceptional homesite offers a rare chance to create a custom residence in one of San Miguel de Allende's desired locations for expansive views. Positioned to capture sweeping views of the iconic Parroquia de San Miguel, the property combines tranquility, prestige, and convenience in a setting that is increasingly difficult to find. Imagine designing a home where every sunset becomes part of your daily experience with expansive terraces, rooftop entertaining spaces, and floor-to-ceiling windows perfectly oriented to showcase the dazzling skyline and glowing pink spires of the Parroquia. Whether envisioned as a luxurious private residence, an elegant vacation retreat, or an investment property, this lot provides...
